MESSAGE FROM THE PRESIDENT

NEW PRESIDENT OF THE BRITISH COLUMBIA AND YUKON REGIONAL COUNCIL

I am pleased to welcome Minette Gomez to the National Council Board of Directors. Minette is the new President of the British Columbia and Yukon Regional Council.

Past positions held by Minette include president of St. Patrick's Conference in Vancouver, president of the Vancouver Particular Council, secretary of the Regional Council during the presidency of Nora Criss, and vice president of the Regional Council, under Scotty MacLaren.

At the October 2018 National Council board meeting, the board members and I had the opportunity to thank Scotty MacLaren for his great work on the B.C. and Yukon Regional Council. It is with regret that we announce that Scotty died suddenly on March 4, at his home, in Campbell River, B.C.

FOOD WITH DIGNITY FOR GREATER VICTORIA SOCIAL CONCERN OFFICE

Help honours when, to the bread that nourishes, it adds the visit that consoles, the advice that enlightens, the friendly shake of the hand that lifts up the sinking courage; when it treats the poor man with respect not only as an equal but as a superior, since he is suffering what perhaps we are incapable of suffering; since he is the messenger of God to us, sent to prove our justice and our charity; and to save us by our works.

Frédéric Ozanam (1813-1853)

The Society of Saint Vincent de Paul Vancouver Island has prioritized food security and dignity for those we serve as a significant part of our mission. As part of our food security priority, the Society has been designated a **Good Food Organization** through **Community Food Centres Canada**.

This designation allows us to join a growing network of like-minded organizations across Canada that share a commitment to offering healthy and dignified food programs in their communities. And it provides access to free training, resources and opportunities to apply for grants to build on our food security work.

For Greater Victoria, our food emergency distribution program is managed centrally through the **Social Concern Office** (833 Yates Street, Victoria). Operating five days a week, the SCO serves daily as many as 150 singles, couples and families with children. Following a recent move to a refurbished location, a new “**Food with Dignity**” shopping model was successfully implemented.

The model is centred on a shopping experience that returns the dignity of choice to those in need. Clients of the SCO pick the items suited to their dietary and cultural preferences, including fresh vegetables, fruit, gluten-free and dairy products. In addition to food, free clothing and household items are available in our clothing area.

The new program uses compassionate shopping helpers, which provides opportunity for them to share nutrition advice, meal planning and referral information.

The benefits of this new shopping system include:

- A more efficient system with less waste, with donations going right on the shelves.
- Providing opportunities to educate people about nutrition and meal planning.
- Volunteers spending more time walking with the poor and supporting them in their choices.

A new SCO advisory group, including clients, volunteers and staff, is being set up to expand programming - to support those in need beyond food emergency to a more secure future. One of the first new programs implemented is a community partnership to provide art gallery space in our new location. This will give low income artists in the community a hand up and create a welcoming space for our clients.

B.C. and Yukon Regional Council*

SSVP ST. STEPHEN, NORTH VANCOUVER - SANDWICHES PROJECT

St. Stephen's Conference of SSVP has recently assumed responsibility on Mondays for preparing sandwiches and delivering them to the homeless in the Downtown Eastside.

This venture has generated an enthusiastic response from our parishioners. Our pastor is completely on board and encourages all our parishioners to participate in some way.

Volunteers have taken on many jobs, including picking up the bread, preparing the sandwiches, and delivering them to the homeless in our Outreach truck.

Others have supported this project with donations of food, winter clothing, and cash.

COBS Bakery has also been assisting us by donating all of the bread and pastries we use. We have had a bread slicer donated by a parishioner and this helps with the sandwich making.

The parish community is seeing another side of the good work the Society does. The volunteers are giving their time and talents to help with the success of this venture and the community spirit is alive and well. We have many who come in to make the 350-400 sandwiches on a weekly basis and there is a wait list to go out on the truck in the evening to help distribute to those in need.

The joy that is felt in the kitchen every Monday morning is overflowing. This has opened our volunteers' hearts even more and the love and care shown is truly a sign of our baptismal call.

We ask for your prayers to keep receiving the resources we need to continue this good work.

*Samm Ferristall, Administration & Finance Coordinator
Vancouver Central Council*
