

### Youth & Parent / Guardian Form for Communication

Please be assured that all information you provide will be kept private and will not be passed on to any other organization.

As you know, Society of Saint Vincent de Paul tries very hard to keep youth and parents/guardians regularly informed about what is going on. We are also increasingly aware of the substantial cost and environmental impact associated with the amount of paper and photocopying involved in communicating with parents/guardians/youth.

To receive email messages from the Society of Saint Vincent de Paul, we need the email addresses for the parents/guardians/youth. If you would like to be part of this form of communication, please complete the form below.
