

## Your Voice Matters!

### Help to create more affordable housing now!

The Society of Saint Vincent de Paul National Council has recently partnered with the Canadian Alliance to End Homelessness (CAEH). For almost a decade CAEH has been a strong voice for advocacy and action around preventing and ending homelessness in Canada. Our partnership with them provides several platforms for SSVP to be aligned with our shared objectives and for Vincentians to play an active role to eradicate homelessness and serve our neighbours in need in new and meaningful ways!

Your SSVP National Housing Committee invites you to:
